v.

Sanitha Lashay Hatter
Appellee

**State's Motion for Extension of Time
To File Brief on Discretionary Review**
—◆—

The State's brief on discretionary review was due on February 25, 2022. The State asks for an extension of time to allow for the filing of its brief contemporaneous with this motion. The following facts are relevant:

1. This Court granted the State's petition for discretionary review on January 26, 2022.
2. The State's brief was due on February 25, 2022.

3. This is the State's first request for extension.
4. During much of the 30-day period after this Court granted review the State's appellate counsel was out of the office on pre-planned personal leave.
5. The State's appellate counsel set aside days to work on this brief before the due date, but unfortunately his wife became ill and the he took those days off of work for child care.
6. The State's appellate counsel has finished and submitted the brief on the first business day after his wife recovered.

The State prays that this Court will grant the requested extension.

Respectfully submitted,

/s/ C.A. Morgan
